DUAL ELIGIBILITY SERVICES

Medicare Advantage Plans and Dual SNPs

- **Application Assistance:** We complete applications and gather necessary verification.
- **Government Payment:** Members receive Medicare Part B Premium award.
- **Enrollment:** Part D Low Income Subsidy enrollment.
- **Retention:** No loss of benefits with annual re-determination. This includes all dual members.
- **Social Determinants of Health:** Members receive assistance with non-medical community program benefits.

PremiumAssist™

Centaury is committed to results and improving your bottom line. We do so by providing highly personalized and compassionate service to your members.

Our commitment to both clients and members comes from deep expertise and investment in technology and processes to support outstanding revenue performance for clients.

FEATURES & BENEFITS

- **Higher Capitation:** Incremental and sustained capitation for members now considered dual-eligible.
- **Value-based Invoicing:** Contingency fee-based billing solution requires zero investment in staff or equipment. Pay only for member enrollment with direct outreach.
- **Fast, Effective Member Outreach:** Customized communication templates meet CMS requirements, and allow for an ease of plan review.
- **Specialized Services:** Bilingual and hearing-impaired communication services, including access to translation services to remove language barriers.
- **Increased Response Rates:** Extensive experience working with older populations and others with special needs, allows our specialists to emphasize dignity and personal privacy, ensuring continued cooperation when it's time to reapply.
- **Screening:** National, state and local community program assistance screening, provides valuable community assistance to your members.
