

MEDICAL BENEFITS ASSISTANCE

Get the help you need.

We help individuals
and families who qualify
for medical benefits.

It is easy to find out if you qualify:

- 1. Call a representative at 1-888-860-3537** to determine your eligibility for Medicaid or other programs and services.
- 2. Complete and sign an Authorization to Represent form** (giving us approval to begin the qualification process).
- 3. Provide verification documents** that are required to complete the application process.

Our services are at no cost to you.

Your medical provider has contracted with us to help you and your family qualify and enroll in medical benefits.

We will be with you through every step

We are experts at assisting uninsured patients locate and enroll in medical insurance programs to help with recent medical services and future follow-up doctor visits.

Oftentimes, medical reimbursement services exist but go unused because of three basic reasons:

- People don't know they exist
- Many people don't think they will qualify
- The application process is too complicated

Not only will we assist in helping you enroll for health insurance benefits, but we'll also help determine if you qualify for other benefits and assistance such as:

- Food assistance
- Housing
- Medications
- Clothing
- Utility bills
- Charity Care

We are NOT a bill collector.

Avoid collection agencies and bill collectors.

Let us help you qualify for medical benefits. Our services are offered to you through your medical services provider (hospital or doctor's office). With our support, you can get the benefits you deserve, including help with medical bills, ongoing doctor visits and prescriptions.

Call our offices at 1-888-860-3537 and one of our compassionate and caring representatives will help you determine if you qualify.

Call us today at **1-888-860-3537** or visit

to learn more about our services.

We're here to help you.

Hospitals across the country rely on us to assist their patients with eligibility and enrollment services. We can assess your eligibility and help you apply for government and community-based healthcare programs.

We offer hospital eligibility and enrollment services for:

- **Medicaid**
- **Subsidized Medical Benefits**
- **Charity Care**
- **Federal Disability Income Programs**

We work directly with county and state offices regarding denials resolution, pre-authorization and annual redetermination submissions for continuous healthcare coverage.

We assess patients for eligibility and assist with the application process regardless of whether they were admitted to the hospital or seen through the emergency room.
